

## REQUEST FOR A REFUND OF A DEUTSCHLANDTICKET PURCHASED AT FULL PRICE

Due to an outage of the digital infrastructure of the Verkehrsverbund Warnow (VWV), some of the discounted Deutschlandtickets booked by students of the University of Rostock were not available or were available too late in December 2023. Using this form, students can apply for a refund of Deutschlandtickets which had to be purchased at full price from the VWV or other transport companies due to these circumstances. After a successful application, the amount deducted from the full price for the discounted Deutschlandtickets (20.63 €) will be refunded.

In addition to this application form, copies of the booking confirmation and the invoice for the Deutschlandticket booked at full price must be submitted as proof.

**Only applications that contain all of the above components are complete and can be processed.** In the event of missing application components, the AStA will send an email notification.

The application must be submitted by post or email to [buer.o.asta@uni-rostock.de](mailto:buer.o.asta@uni-rostock.de) and must be received by the AStA in full by **31 January 2024** at the latest.
