INFORMATION ON REFUND

REASONS FOR REFUND

1. **right to transport according to SGB IX:** According to the Sozialgesetzbuch (Ninth Book), severely disabled persons are entitled to free travel on public transport if they have a token. The relevant proof (severely disabled person's ID card and token) must be enclosed with the application.
2. **study-related stay abroad:** Students who spend at least three consecutive months of the semester abroad due to their studies can receive a refund of their semester ticket fee. On demand, a partial refund can be granted so that the semester ticket can be used in certain months of the semester; the desired reimbursement period must be communicated to the AStA in writing as part of the application. A certificate from the host university must be enclosed as proof.
3. **official leave of absence:** Students who are officially on leave of absence from their studies can have their semester ticket fee refunded. The leave of absence is noted on the certificate of study; this must be enclosed as proof.
4. **exmatriculation:** In the event of exmatriculation after the start of the semester, a partial refund is possible for the full months of the semester remaining after the date of exmatriculation. The certificate of exmatriculation must be enclosed as proof.
5. **enrolment at another university with compulsory purchase of a Deutschland-Semesterticket:** Students who attend another university with compulsory purchase of a Deutschland-Semesterticket in addition to the University of Rostock can have the semester ticket fee refunded at one of the two universities. A certificate of enrolment from the second university must be enclosed as proof. Verification of the ticket purchase at the second university is carried out by the AStA.

APPLICATION

The application must be submitted via post or email to buero.asta@uni-rostock.de and must be received by the AStA in full by **06 May 2024 at the latest**. Applications submitted after this deadline and those that are only complete after the deadline cannot be considered.

If the application is successful, the entitlement to use the semester ticket expires in the affected months.

Further information on the semester ticket and the exact procedure for the semester ticket refund can be found at www.asta-rostock.de/rueckerstattung/.
