

APPLICATION FOR THE PROVISION OF THE NATIONWIDE SEMESTER TICKET AS A CHIP CARD

The nationwide semester ticket, which is being introduced at the University of Rostock at the start of the 2024 summer semester, is usually provided as a digital ticket in the Verkehrsverbund Warnow (VfW) app. In justified exceptional cases (e.g. in the absence of a suitable mobile device), this application form can be used to request a ticket in the form of a chip card instead.

The completed application form must be submitted to the AStA by post or by e-mail to buero.asta@uni-rostock.de.
